

**Geological and hydro-geological investigation history scheme
of the project area.**

K-43 (Pulkovo, 1942)

Archives of The Kyrgyz State Geological Agency

Middle-scaled geological survey

1. Kiselyov V.I., Tol'skiy V.P., Seidaliev A.S., Khorevko V.N., Cherepanov V.M. (1967). Geological structure and mineral resources of the Aramsu area. Report on the geological survey at a scale 1:50000 carried out in 1965-1967.
2. Kolesnikov V.A., Khristova M.P., Rubtsov V.I. (1970). Geological structure and mineral resources of the Irijar area. Report on the search and survey at a scale 1:50000 carried out in 1968-1970.
3. Tol'skiy V.P., Kiselyov V.I., Golubin N.V., Ishalin N.N. (1972). Geological structure and mineral resources of the Upper Karabalta area. Report on the geological survey at a scale 1:25000 carried out in 1967-1972.
4. Morozov V.P., Makarov V.A., Klimov V.F., Razboinikov A. F. (1979). Geological structure and mineral resources of the Uchkoshoi area. Report on the geological survey at a scale 1:50000 carried out in 1973-1978.
5. Orlov L.N., Severinov V.A., Vasiliev L.K., Khristova M.P., Mikolaichuk A.V., Afimova Z.I., Srybnyi M.N. (1979). Geological structure and mineral resources of the Sarykamysh area. Report on the geological survey at a scale 1:50000 carried out in 1975-1979.
6. Chernov V.I., Korstelyov A.V., Ivaschenko I.V. (2005). Geological structure and mineral resources of the West Suusamyр area. Report of the Karkara Department on the geological study at a scale 1:50000 carried out in 1998-2005.
7. Chernyavskaya Z.I., Bondar V.G., Chertkov D.A. (2008). Geological structure and mineral resources of the Aramsy area. Report of the Suez Department on the additional geological study at a scale 1:50000 carried out in 2004-2006.

Hydrogeological survey

8. Visnevskiy Ya.S. (1947). Scheme of the energy use of the Syrdaria River. Report about engineering-geological research in the area of Ketmen-Tyube Reservoir in 1945-1946.
9. Morozov V.G., Spiridonov V.V., Mitrofanov V.E., Voronov V.N., Borisov V.K. (1988). Hydrogeological and geological survey of the Suusamyр Basin at a scale 1:50000. Report of the Severnaya Survey Hydrogeological Department on labours in 1980-1986.

Small-scaled geological survey

10. Kiselyov V.I., Kordun R.M. (1956). Materials to the State Geological Map of the USSR at a scale 1:200000. Geological structure of the Suusamyр Range. Report on survey carried out in 1955.
11. Burtman V.S., Kiselyov S.A. (1957). Geological structure of the Suusamyр River downstream. Scale 1:100000.
12. Luik A.A., Kovalyov P.A. (1957). Geological structure and mineral resources of the Toluk area. Report on the complex geological survey at a scale 1:100000 carried out in 1953-1955.
13. Dodonova T.A., Kolesnikov B.A. (1959). Geological structure and mineral resources of the area in the Sheet K-43-XX (Uchterek). Final report of the Uchterek Geological Survey Department on labours in 1956-1958. Scale 1:200000.
